Limited Spaces

Over hill, over dale, through bush, through briar.

Over park, over pale, through blood, through fire.

I do wander everywhere.

OOCC Tour itinerary

The Annual Oamaru Ordinary Cycle Club Tour

This year from Mount Cook to Oamaru via the newly established Alps to Ocean cycle trail.

Leaving from Oamaru on the 9th November 2013 to travel to Mount Cook village and enjoy the sights there. We will be staying at the Village overnight.

-10th November we start the day by being flown over Lake Pukaki to the start of the trail. The bridge has yet to be built. The day will finish at Twizel.

-11th November involves traveling alongside the canals to Ohau. After lunch there is a challenging ride over the hill to Omarama past the Clay cliffs. As always there will be the option to travel by road if a section is deemed to demanding for rider or machine.

-12th November brings on the Otometata saddle. Can you ride it all the way? Be careful on the way down the other side too. The trail diverts around Lake Aviemore crossing the Benmore and Aviemore dams. We will be staying the night in Kurow.

-13th November has a leisurely ride via Duntroon to the Dansey's pass Holiday Park.

-14th November we ride back into Oamaru in time for the Oamaru Victorian Heritage Celebrations. www.vhc.co.nz on Saturday there will be racing and cycle events around the historic precinct area where the roads will be closed.

For detailed maps of the route please go to the following website

www.alps2ocean.com

Remember places are limited so email oamaruordinary@gmail.com for enquiries and a booking form.

Cost for the tour is \$600 and this includes Transport, food and lodgings. (not your bar tab sorry)

This tour is for Vintage cycles and replicas. Ordinaries (Penny Farthings) and Safety cycles of the style seen prior to the 1950's (not 10speeds, mountain bikes etc) Clothing appropriate to the era of the cycle you are riding is appreciated but we are not too strict on this. No lycra allowed though, even on race day.

If you do not have a suitable cycle then please contact us as we may have a suitable cycle for you to borrow.
